Our Preschool Program is an introduction to the "Fine Arts In Motion" held in a positive environment. It consists of creative movement, song, ballet, tap, and tumbling:

To inspire the love of the arts...

To instill a building block for co-ordination fundamentals...

To introduce classroom structure.

To strengthen and stretch the body...

To improve the natural locomotor skills of walking, skipping, hopping, and running.

To arm your child with the essential life skills of dependability, punctuality, and responsibility...

To celebrate their creativity and to express themselves...

To stand a little taller, speak a little clearer, and confidence on their feet...

To instill core styles of dance providing a foundation of technique and terminology...

Required dancewear of leotard, tights, ballet, and tap shoes are used to enhance this process:

A dance bag with all essential items personalized...

A happy, well rested, and full tummy...

An encouraging parental drop off and pick up...

OUR CLASS MEETS ONCE A WEEK FOR 45 MINUTES. FROM SEPTEMBER TO DECEMBER, THE CHILDREN ARE EXPOSED TO BALLET, TAP, AND TUMBLING. FROM JANUARY THROUGH MAY, BALLET AND TUMBLING ARE THE ONLY SUBJECTS GIVEN.

A dancers hair style and a trip to the restroom immediately preceding class are the ingredients needed for S U C C E S S!

'GIVE YOUR CHILD THE GIFT OF LIFE...DANCE!'
